Infant Age Group

Babies benefit from repetition, so each weekly Lesson Grid introduces activities that can be repeated all week long.

Monday
Feeling Good
(Tactile Stimulation)

Tuesday
Stimulation Station
(Sensory Stimulation)

Wednesday
Mirror, Mirror
(Face Time)

Thursday
Power Babies
(Gross Motor Skills)

Friday
Grab, Shape, Manipulate
(Fine Motor Skills)

Each lesson includes tips for how to accommodate various stages of infant development:

**Supported Sitter
Sitter/Crawler
Stander/Walker**

Weekly Infant Lesson Grids also include:

**Teacher Tips
Infant Literacy
Parent Connection**

Each lesson includes step by step instructions, supplies needed, learning goals, education standards, age group and subject.

WHAT'S INCLUDED?

Flexibility

Teachers have flexibility! They can:

- Follow the existing Weekly Lesson Grids
- Change the lessons on the Weekly Lesson Grid by searching for different ones that meet the needs of their class.
- Write their own lessons and add them to the Lesson Grid.
- Use the lessons and resources to generate ideas and supplement other curriculum!

There is a template to write your own lesson plans. You can edit an existing Lesson Plan to customize it for your students, or create a Lesson from scratch!

Lesson Plans you create can be printed and can be added to the weekly schedule.

Printables

Print what you need! All of the lessons and resources can be viewed on-line, or you can print:

- Individual Lesson Plans
- Lessons planned for the day
- Weekly Lesson Grid
- Supply List
- Education Standards

All of the resources in the Resource Library!

Lesson Search

Search by

- SUBJECT
- LEARNING GOAL
- EDUCATION STANDARD
- SUPPLY
- KEY WORD

Supply Lists

Supply lists are customized based on the Lesson Plans selected on the Weekly Lesson Grid.

Teachers can change the dates to pull the supplies needed for the next day or week to make it easy to plan and prep, or pull for the next month to order your supplies.

Education Standards

Standards Met shows how many lessons in your Lesson Grid meet each standard.

You can **search** for lessons that meet each standard by going to Lesson Search and then typing in the code for that standard.

The Resource Library has Crosswalks between state standards and Funnydaffer standards
